

Do you want to gain a voice in your community?

Discover how citizens and civil society organizations (CSOs) can use advocacy and lobbying to give voice to their concerns.

During the workshop, the “**Citizens lobbying toolkit**”, an innovative and easy-to-use guide to lobby for good, will be presented. If you are an activist, a professional, an academic or a just a concerned citizen, this event will provide you with a unique opportunity to learn how to **lobby for good** and discover the **advocacy tools** available to you to bring meaningful change in your community.
